CONSTITUTION

I. NAME

This Society is named "THE SOCIETY OF ALUMNI OF WILLIAMS COLLEGE."

II. MEMBERSHIP

All graduates of the College, those who receive from it an honorary degree, and others elected at annual meetings of the Alumni, shall be members.

III. ANNUAL MEETING

An annual meeting of the Society shall be held at the College on the day preceding Commencement Day.

IV. OFFICERS

The officers of the Society shall be a President, Vice-President, Secretary, and an Executive Committee of five members, all to be elected at each annual meeting upon the nomination of a committee of three members, to be known as the Committee on Nominations, and appointed as such by the President.

V. PRESIDENT

The President, or in his absence the Vice-President, shall preside at each annual meeting, shall appoint the committees as herein provided, and shall in the name of the Society receive its guests, particularly the representatives present of the class graduated fifty years theretofore.

VI. SECRETARY

The Secretary shall keep all records, and attend to the correspondence of the Society. He shall, at least two months prior to the annual meeting, mail to each member of the Society at his last known address a notice of the coming election of an Alumni-Trustee, containing the name, class, residence, vocation and fact, (if so) of previous service on the Board of each candidate, and an official ballot containing the names of the nominees selected by the Committee on Alumni Trustee at the last annual meeting, with an envelope addressed to himself, within which, sealed, each vote shall be forwarded to him. These votes he shall open, count, record and hold subject to the order of the Society. He shall not communicate the state of the ballot to any one before its final announcement at the Alumni Meeting. It shall be his duty, however, as hereinafter provided, to refer to the Executive Committee all matters respecting any doubtful validity of votes.

The present direction to the Secretary says,—"He shall send out, with the voting papers for the next election, blanks which will enable each member to suggest five or less names of persons whom he would like to see nominated as candidates, and that the names of all persons who shall thus receive at least twenty-five votes be presented at the next annual meeting before the appointment of the nominating committee and referred to that committee for its information and to the Committee on Alumni Trustee for action.

VII. EXECUTIVE COMMITTEE

The Executive Committee shall care for the general interest of the Society; shall appoint a presiding officer in the absence of both President and Vice-President, and a Secretary pro tempore in the absence of the Secretary; shall at its discretion secure an orator to address the Society at any annual meeting; shall act as a board of final decision to settle all questions referred to it by the Secretary as to votes cast for Alumni-Trustee; and all proposed amendments to this Constitution, and all nominations to honorary membership in this Society shall be presented through the Executive Committee.

(At the request of the Secretary, in 1891, the Alumni voted that at least two of the Executive Committee should be with the Secretary at the final counting of Alumni-Trustee votes.)

VIII. ALUMNI VISITORS

There shall be a Committee of six members to be known as Alumni Visitors, whose office it shall be to attend examinations, and be present at such other exercises of the College as may seem to them advisable at any time during the year; and also to make an Annual Report to the Society concerning the methods of instruction and discipline in the College and the progress and wants thereof. Two members of such committee shall be elected at each annual meeting to serve for three years, and shall be nominated by the Committee on Nominations.

IX. ALUMNI-TRUSTEES

At each annual meeting a committee of five members, to be known as the Committee on Alumni-Trustees, shall be appointed by the President. This committee shall nominate five candidates for the office of Alumni Trustee for the term of five years (such candidates to be members of the Society, and to be voted for in the manner already herein prescribed), and make their reports on candidates at the Alumni Dinner. No voting by proxy shall be allowed in the election of Alumni-Trustees; the voting shall be open till noon of the day of the annual meeting; a plurality of votes shall elect; and should there be more than one vacancy in the Alumni-Trusteeship at the closing of the poll, the candidate having received the next highest number of votes shall be thereby elected to fill such vacancy.

GRADUATES AND SOMETIME MEMBERS

Each year every *graduate* is requested to give his address, and vote for a Trustee of the College, (Constitution, Article VI). About half of them respond.

As there is no such way of securing the addresses of the *Sometime Members*, the Secretary has taxed the kindness of the secretaries of the Classes, the Alumni Associations and the Fraternities.

If any man finds his address incorrect, let him remember that at his last change of residence a *postal card* to the Secretary of the Alumni would have prevented any mistake.

CONSTITUTION

I. NAME

This Society is named "THE SOCIETY OF ALUMNI OF WILLIAMS COLLEGE."

II. MEMBERSHIP

All graduates of the College, those who receive from it an honorary degree, and others elected at annual meetings of the Alumni, shall be members.

III. ANNUAL MEETING

An annual meeting of the Society shall be held at the College on the day preceding Commencement Day.

IV. OFFICERS

The officers of the Society shall be a President, Vice-President, Secretary, and an Executive Committee of five members, all to be elected at each annual meeting upon the nomination of a committee of three members, to be known as the Committee on Nominations, and appointed as such by the President.

V. PRESIDENT

The President, or in his absence the Vice-President, shall preside at each annual meeting, shall appoint the committees as herein provided, and shall in the name of the Society receive its guests, particularly the representatives present of the class graduated fifty years theretofore.

VI. SECRETARY

The Secretary shall keep all records, and attend to the correspondence of the Society. He shall, at least two months prior to the annual meeting, mail to each member of the Society at his last known address a notice of the coming election of an Alumni-Trustee, containing the name, class, residence, vocation and fact, (if so) of previous service on the Board of each candidate, and an official ballot containing the names of the nominees selected by the Committee on Alumni Trustee at the last annual meeting, with an envelope addressed to himself, within which, sealed, each vote shall be forwarded to him. These votes he shall open, count, record and hold subject to the order of the Society. He shall not communicate the state of the ballot to any one before its final announcement at the Alumni Meeting. It shall be his duty, however, as hereinafter provided, to refer to the Executive Committee all matters respecting any doubtful validity of votes.

The present direction to the Secretary says,—"He shall send out, with the voting papers for the next election, blanks which will enable each member to suggest five or less names of persons whom he would like to see nominated as candidates, and that the names of all persons who shall thus receive at least twenty-five votes be presented at the next annual meeting before the appointment of the nominating committee and referred to that committee for its information and to the Committee on Alumni Trustee for action.

VII. EXECUTIVE COMMITTEE

The Executive Committee shall care for the general interests of the Society; shall appoint a presiding officer in the absence of both President and Vice-President, and a Secretary pro tempore in the absence of the Secretary; shall at its discretion secure an orator to address the Society at any annual meeting; shall act as a board of final decision to settle all questions referred to it by the Secretary as to votes cast for Alumni-Trustee; and all proposed amendments to this Constitution, and all nominations to honorary membership in this Society shall be presented through the Executive Committee.

(At the request of the Secretary, in 1891, the Alumni voted that at least two of the Executive Committee should be with the Secretary at the final counting of Alumni-Trustee votes.)

VIII. ALUMNI VISITORS

There shall be a Committee of six members to be known as Alumni Visitors, whose office it shall be to attend examinations, and be present at such other exercises of the College as may seem to them advisable at any time during the year; and also to make an Annual Report to the Society concerning the methods of instruction and discipline in the College and the progress and wants thereof. Two members of such committee shall be elected at each annual meeting to serve for three years, and shall be nominated by the Committee on Nominations.

IX. ALUMNI-TRUSTEES

At each annual meeting a committee of five members to be known as the Committee on Alumni-Trustees, shall be appointed by the President. This committee shall nominate five candidates for the office of Alumni Trustee for the term of five years (such candidates to be members of the Society, and to be voted for in the manner already herein prescribed), and make their reports on candidates at the Alumni Dinner. No voting by proxy shall be allowed in the election of Alumni-Trustees; the voting shall be open till noon of the day of the annual meeting; a plurality of votes shall elect; and should there be more than one vacancy in the Alumni-Trusteeship at the closing of the poll, the candidate having received the next highest number of votes shall be thereby elected to fill such vacancy.

GRADUATES AND SOMETIME MEMBERS

Each year every *graduate* is requested to give his address, and vote for a Trustee of the College, (Constitution, Article VI). About half of them respond.

If any man finds his address given incorrectly, let him remember that at his last change of residence a *postal card* to the Secretary of the Alumni would have prevented mistake.

CONSTITUTION

I. NAME

This Society is named "THE SOCIETY OF ALUMNI OF WILLIAMS COLLEGE."

II. MEMBERSHIP

All graduates of the College, those who receive from it an honorary degree, and others elected at annual meetings of the Alumni, shall be members.

III. ANNUAL MEETING

An annual meeting of the Society shall be held at the College on the day preceding Commencement Day.

IV. OFFICERS

The officers of the Society shall be a President, Vice-President, Secretary, and an Executive Committee of five members, all to be elected at each annual meeting upon the nomination of a committee of three members, to be known as the Committee on Nominations, and appointed as such by the President.

V. PRESIDENT

The President, or in his absence the Vice-President, shall preside at each annual meeting, shall appoint the committees as herein provided, and shall in the name of the Society receive its guests, particularly the representatives present of the class graduated fifty years theretofore.

VI. SECRETARY

The Secretary shall keep all records, and attend to the correspondence of the Society. He shall, at least two months prior to the annual meeting, mail to each member of the Society at his last known address a notice of the coming election of an Alumni-Trustee, containing the name, class, residence, vocation and fact, (if so) of previous service on the Board of each candidate, and an official ballot containing the names of the nominees selected by the Committee on Alumni Trustee at the last annual meeting, with an envelope addressed to himself, within which, sealed, each vote shall be forwarded to him. These votes he shall open, count, record and hold subject to the order of the Society. He shall not communicate the state of the ballot to any one before its final announcement at the Alumni Meeting. It shall be his duty, however, as hereinafter provided, to refer to the Executive Committee all matters respecting any doubtful validity of votes.

The present direction to the Secretary says,—"He shall send out, with the voting papers for the next election, blanks which will enable each member to suggest five or less names of persons whom he would like to see nominated as candidates, and that the names of all persons who shall thus receive at least twenty-five votes be presented at the next annual meeting before the appointment of the nominating committee and referred to that committee for its information and to the Committee on Alumni Trustee for action.

VII. EXECUTIVE COMMITTEE

The Executive Committee shall care for the general interests of the Society; shall appoint a presiding officer in the absence of both President and Vice-President, and a Secretary pro tempore in the absence of the Secretary; shall at its discretion secure an orator to address the Society at any annual meeting; shall act as a board of final decision to settle all questions referred to it by the Secretary as to votes cast for Alumni-Trustee; and all proposed amendments to this Constitution, and all nominations to honorary membership in this Society shall be presented through the Executive Committee.

(At the request of the Secretary, in 1891, the Alumni voted that at least two of the Executive Committee should be with the Secretary at the final counting of Alumni-Trustee votes.)

VIII. ALUMNI VISITORS

There shall be a Committee of six members to be known as Alumni Visitors, whose office it shall be to attend examinations, and be present at such other exercises of the College as may seem to them advisable at any time during the year; and also to make an Annual Report to the Society concerning the methods of instruction and discipline in the College and the progress and wants thereof. Two members of such committee shall be elected at each annual meeting to serve for three years, and shall be nominated by the Committee on Nominations.

IX. ALUMNI-TRUSTEES

At each annual meeting a committee of five members to be known as the Committee on Alumni-Trustees, shall be appointed by the President. This committee shall nominate five candidates for the office of Alumni Trustee for the term of five years (such candidates to be members of the Society, and to be voted for in the manner already herein prescribed), and make their reports on candidates at the Alumni Dinner. No voting by proxy shall be allowed in the election of Alumni-Trustees; the voting shall be open till noon of the day of the annual meeting; a plurality of votes shall elect; and should there be more than one vacancy in the Alumni-Trusteeship at the closing of the poll, the candidate having received the next highest number of votes shall be thereby elected to fill such vacancy.

GRADUATES AND SOMETIME MEMBERS

Each year every *graduate* is requested to give his address, and vote for a Trustee of the College, (Constitution, Article VI). About half of them respond.

If any man finds his address given incorrectly, let him remember that at his last change of residence a *postal card* to the Secretary of the Alumni would have prevented mistake.
